

Do You Have a Chronic Condition?

What has been your experience through the healthcare system?

We want to hear your story.

Chronic Conditions may include:

- Arthritis
- Diabetes
- Chronic Lung Conditions
- Heart Disease
- Asthma
- Or other

We would like to learn about your journey through the healthcare system.

Your story will inform us how to better provide a healthcare system to support you and your family.

Your personal details will remain confidential.

To find out more about the Portland Chronic Disease Consumer Journeys Project and to have your story heard, please contact:

Fiona Heenan, Chronic Disease Project Nurse

T: 5522 1180 or M: 0408 528 108
